6. RESOLUTION 6 – APPROVAL OF 10% PLACEMENT CAPACITY

6.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

If Shareholders approve Resolution 6, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 6.2 below).

The effect of Resolution 6 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 6 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 6 for it to be passed.

The Chair will cast all available proxies in favour of Resolution 6.

The Board recommends Shareholders vote in favour of Resolution 6.

6.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of quoted Equity Securities on issue, being the CDIs (ASX Code: EMH).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of CDIs on issue 12 months before the date of issue or agreement:
- (a) plus the number of CDIs issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (b) plus the number of CDIs that became fully paid in the previous 12 months;
 - (c) plus the number of CDIs issued in the previous 12 months with approval of holders of CDIs under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid CDIs under the entity's 15% placement capacity without shareholder approval; and
 - (d) less the number of CDIs cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

6.3 Technical information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 6:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph 6.3(a)(i), the date on which the Equity Securities are issued.

If the Equity Securities are issued for non-cash consideration, then, In accordance with the Listing Rules, the Company will provide a valuation of the non-cash consideration to the market that demonstrates that the issue price of the securities complies with Listing Rule 7.1A.3.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid).

(c) **Risk of economic and voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any CDIs under the issue.

If Resolution 6 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing CDIs would be as shown in the table below, subject to the assumptions listed below the table.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of CDIs and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company will have on issue at the date of the Meeting. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price. The voting dilution impact where the number of CDIs on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of CDIs issued under the 10% Placement Capacity.

Number of CDIs on Issue ("Variable A")	Dilution			
	Issue Price (per CDI)	\$0.3775 (50% decrease in current issue price)	\$0.755 (Current issue price)	\$1.51 (50% increase in current issue price)
131,797,585 (Current Variable A)	10% Voting Dilution	13,179,759 CDIs	13,179,759 CDIs	13,179,759 CDIs
	Funds Raised	\$4,975,359	\$9,950,718	\$19,901,435
197,696,378 (50% increase in Variable A)*	10% Voting Dilution	19,769,638 CDIs	19,769,638 CDIs	19,769,638 CDIs
	Funds Raised	\$7,463,038	\$14,926,076	\$29,852,153

*The number of CDIs on issue (variable A in the formula) could increase as a result of the issue of CDIs that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 131,797,585 CDIs on issue.
2. The issue price set out above is the closing price of the CDIs on the ASX on 23 October 2017.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 and Rule 7.1A, or subsequently ratified under Listing Rule 7.4 at this Meeting.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of CDIs. It is assumed that no Options or Warrants are exercised into CDIs before the date of issue of the Equity Securities.

6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the date of issue or the Equity Securities are issued as part of the consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's Cinovec Project and for general working capital; or
- (ii) as non-cash consideration for the acquisition of new resources assets and investments, in such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

(e) **Allocation under the 10% Placement Capacity**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined but may include current Shareholders or new investors (or both), none of whom will be related parties of the Company. Further, if the Company is successful in acquiring new assets or investments, it is likely that the allottees under the 10% Placement Capacity will be vendors of the new assets or investments.

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its 2016 Annual General Meeting held on 18 November 2016 (**Previous Approval**). The

⁽¹⁾ The value of unquoted Options is measured using the Black & Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Option, the impact of dilution, the expected volatility of the underlying Share (based on weighted average historic volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Option. No account is taken of any performance conditions included in the terms of the Option other than market based performance conditions (i.e. conditions linked to the price of Shares). The grant date value reflects the reported value in accordance with Accounting Standards. The current value is a hypothetical value required for ASX Listing Rule 7.3A.6. The current value disclosed above will not be used to adjust the reported accounting values at grant date.

⁽²⁾ The value of performance shares has been determined in accordance with Accounting Standards. The value utilises the 5 day volume weighted share price and a probability factor of achieve performance milestones to determine the number of shares that will be granted upon satisfaction of the performance conditions. The value is determined by multiplying this result by the share value at grant date (in the case of the grant date value), and as at 23 October 2017 (in the case of the current value).

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (i) a list of the allottees of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

6.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 6.

7. RESOLUTION 7 – APPROVAL OF EMPLOYEE SECURITIES INCENTIVE PLAN

7.1 General

The Company considers that it is desirable to maintain an incentive securities plan pursuant to which the Company can issue shares, options or performance rights to eligible Directors, employees and consultants in order to attract, motivate and retain such persons and to provide them with an incentive to deliver growth and value to all Shareholders.

Accordingly, Resolution 7 seeks approval for the adoption of the employee securities incentive plan titled 'European Metals Holdings Limited Employee Securities Incentive Plan' (**Plan**) in accordance with ASX Listing Rule 7.2, exception 9(b).

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of securities in the Company as the Board may decide and on the terms set out in the rules of the Plan, a summary of which is set out at Schedule 3.

In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company in Australia until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

7.2 Summary of ASX Listing Rule 7.2, Exception 9(b)

A summary of ASX Listing Rule 7.1 is provided in Section 3.2 above.

ASX Listing Rule 7.2, exception 9(b) provides an exception to ASX Listing Rule 7.1 by which Equity Securities issued under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 7 is passed, the Company will be able to issue Equity Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

No Equity Securities have been issued under the proposed Plan as it is a new employee incentive scheme and has not previously been approved by Shareholders.

Prior Shareholder approval will be required under ASX Listing Rule 10.14 before any Director or related party of the Company can participate in the Plan.

7.3 Board recommendation

Resolution 7 is an ordinary resolution.

The Chair will cast all available proxies in favour of Resolution 7.

A voting exclusion statement is included in the Notice for Resolution 7.

8. RESOLUTION 8 – APPROVAL TO ISSUE CDIs TO DIRECTORS

8.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 1,650,000 CDIs in the amounts and to the Directors listed below (or their respective nominees):

- (a) 850,000 CDIs to Mr Keith Coughlan;
- (b) 300,000 CDIs to Mr David Reeves;
- (c) 300,000 CDIs to Mr Richard Pavlik; and
- (d) 200,000 CDIs to Mr Kiran Morzaria,

(together, **Director CDIs**).

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. In addition, the Board also believes that incentivising with CDIs is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these CDIs to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The resolutions which form part of Resolution 7 seek Shareholder approval for the issue of the Director CDIs under the Company's Employee Securities Incentive Plan to the Directors (or their respective nominees). Shareholder approval is required under ASX Listing Rule 10.14 where an entity issues, or agrees to issue, securities to a director (or associate of a director) under an employee incentive scheme.

As Shareholder approval is sought under ASX Listing Rule 10.14, approval under ASX Listing Rules 7.1 or 10.11 is not required.

Each of the resolutions which form part of Resolution 7 is a separate ordinary resolution.

The Chair intends to exercise all available proxies in favour of each of the resolutions which form part of Resolution 7.

8.2 Technical Information Required By ASX Listing Rule 10.15

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of Director CDIs:

- (a) the Directors are Messrs Coughlan, Reeves, Pavlik and Morzaria;
- (b) the maximum aggregate number of Director CDIs to be issued to the Directors (or their nominees) is up to 1,650,000 CDIs, in the proportions set out in Section 8.1 above;
- (c) should resolution 7 be passed, the Director's Plan CDIs will be issued at an issue price per new CDI based on the market price of the Company's Shares, being the VWAP of Shares traded on the ASX over the 5 trading days immediately preceding the issue of the Plan CDIs (which is expected to occur shortly following the conclusions of the Annual General Meeting);
- (d) no CDIs or Equity Securities have previously been issued under the Plan nor has the Plan previously been adopted by Shareholders;
- (e) subject to the requirements of the Listing Rules and the determination of the Board, all Directors and their respective nominees and associates are entitled to participate in the Plan;
- (f) the subscription amount for the new CDIs to be issued by the Company will be accounted for by a limited-recourse interest-free loan provided by the Company to the Director pursuant to the Plan. There is therefore no cash impact on the Company. As and when a Director sells his Plan CDIs, then the proceeds from such sale must be applied first to settle the loan (and thereby the subscription). The balance is retained by the Director. The proceeds from a sale of all of the Plan CDIs by a Director, even if less than the loan, will settle the loan in full under the Plan.
- (g) the Director CDIs will be issued no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Director CDIs will be issued on one date; and
- (h) a voting exclusion statement is included in the Notice.

9. ENQUIRIES

SCHEDULE 3 – SUMMARY OF EMPLOYEE SECURITIES INCENTIVE PLAN

A summary of the key terms of the Plan is set out below:

(a) Eligible Participant

Eligible Participant means a person that:

- (i) is an "eligible participant" (as that term is defined in ASIC Class Order 14/1000) in relation to the Company or an Associated Body Corporate (as that term is defined in ASIC Class Order 14/1000); and
- (ii) has been determined by the Board to be eligible to participate in the Plan from time to time.

(b) Purpose

The purpose of the Plan is to:

- (i) assist in the reward, retention and motivation of Eligible Participants;
- (ii) link the reward of Eligible Participants to Shareholder value creation; and
- (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

(c) Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

(d) Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

(e) Loan

Subject to applicable laws, the Company may invite an Eligible Participant to apply for a limited recourse loan on the terms set out in the Plan, the relevant invitation and loan facility to enable the Eligible Participant to acquire Securities. The Securities will be subject to a holding lock and the Company will retain a lien over the relevant Securities until the loan is repaid in full. If a loan is not repaid in full by the relevant date for repayment, the Company may, in the Board's sole discretion, sell the relevant Securities and apply the proceeds of the sale towards repayment of the loan and any accrued interest, with the balance (if any) after payment of sale costs returned to the Participant.

(f) Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

(g) Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

(h) Vesting of Securities

Any vesting conditions applicable to the grant of Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Securities have vested. Unless and until the vesting notice is issued by the Company, the Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Security are not satisfied and/or otherwise waived by the Board, that Security will lapse.

(i) Exercise of Convertible Securities and cashless exercise

To exercise an Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation. An invitation may specify that at the time of exercise of the Convertible Securities,

the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

'Market Value' means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

(j) Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

(k) Forfeiture of Securities

Where a Participant who holds Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Securities to vest. Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (ii) any Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

(l) Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

(m) Rights attaching to Plan Shares

All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security (**Plan Shares**) will rank *pari passu* in all respects with the Shares of the same class. Subject to the existence of any outstanding loan under paragraph (e), a Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

(n) Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

(o) Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation. If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment),

the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised. Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

(p) Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

(q) Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

(r) Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
